For the Children

LESSONS

They say that the mocking
bird right in the night
Teaches his children to sing;
If mother should do that wouldn't
be
Too funny for anything?
I'd sit up in bed in my little
white gown
And sing, like the birdies, the
scales up and down.
They say when the mother bird
thinks it is time
For her babies to walk all alone
She pushes them out of the nest
one by one—
Right out of their dear little home
If my mother did that to me
wouldn't I
Just sit there and cry and cry
and cry!
I suppose they all know just the
best way to do,
The birdies' dear parents and
mine.
No matter how funny it may
seem to us,
We ought to obey every time,
For mothers and fathers are older
than we,
And they ought to know best,
don't you see?

How To Kill Moths

Moths in carpets can be killed by the use of a damp cloth and a hot iron. Lay the cloth on the carpet and iron well, and the steam will destroy both eggs and moths. Brush up the nap of the carpet with a whisk broom as you finish ironing each section.
